# METAL THAT LASTS A LIFETIME

## EXCLUSIVE OFFER

Among the items exclusive to Hixwood is our 29g 6" on center ½" high rib panel. Originally engineered to cover the many barns in WI that have curved roofs, this panel has also become popular among our residential roofers. Even though it's a subtle difference in appearance from a normal ag panel, customers have taken quite a liking to it.

## SHIPPING

We ship coils, panels, trim, and accessories. They are shipped directly to job sites and shops. Coils are shipped primarily from NW Indiana and the St. Louis area. Manufactured products such as panels, trim and accessories, ship from Stanley, WI. We can ship directly from the mills to our customers or to any of the paint lines we utilize. We also have the ability to ship via rail to any location served by rail service.
